*Christmas card you sent to me*
*All that I have are these*

*To remember you . . .*

*Memories that came at night*
*Take me to another time*
*Back to a happier day*
*When I called you mine.*

*But we sure had a good time*
*When we started way back when*
*Morning walks and bedroom talks*
*Oh how I loved you then.*

*Summer skys and Lullabies*
*Nights we couldn't say good-bye*
*And of all of the things that we knew*
*Not a dream survived.*

*Photographs and Memories*
*All the love you gave to me*
*Somehow it just can't be true*
*That's all I've left of you.*

# Dedication

***What is a teacher? What makes that teacher special?***
***In the scheme of things some people stand above the crowd;***
***Their earnestness and diligence pays off in***
***Successful appreciative records of achievement.***
***The involvement, the caring, the unusual zeal and perseverance,***
***And the total commitment of self to the profession chosen***
***Marks the successful trail of the outstanding teacher.***
***Such a teacher is Mrs. Sheldeen Takeo,***
***To whom we dedicate our annual this year.***
***We dedicate it with appreciative love and heartfelt thanks***
***As she has truly enriched our lives.***

Aloha Elaine!
It's always a
pleasure to have a
hard-working student in
class. Come to school more
regularly and you will do
real well. Remember to be
your usual kind and
respect will be returned.
Aloha
Sheldeen Takeo

This year's Yearbook Staff is made up of 20 students. These students have worked very hard to make this year's Yearbook a success.

Every student in the class has an important responsibility. It isn't an easy task but it's fun. You learn how to design pages, take pictures of students and teachers, work with your friends, and know that you can do a good job. But you also have deadlines to meet.

A Yearbook is very important because it sends out the main idea, "Memories." It gives you something to look back on after you have finished school. That's what the Yearbook Staff has captured in this year's Yearbook.

We have named this year's Yearbook "Photographs and Memories" and we hope the students of Molokai High and Intermediate School enjoy the memories that we have captured.

Newswriting is both an English credit and a journalistic occupation. As such students are screened before entering, to determine their talents and leadership capabilities. Students must learn to snoop out news, be creative in their approaches, write factual news stories, and the technical methods for preparing copy and photos for publications. Students conduct interviews with people from all segments of the school and community. The cooperation needed to pull all these activities together, requires the class to be a harmonious whole, all striving together to fulfill the requirements of putting out 2 issues a month. It has not been an easy task but thanks to an eventful year news has not been difficult to dig up.

Can you handle free lunch, reduced lunch, and pay lunches all at the same time? Can you dig getting your hands into piles of quarters, smelling the aroma of cafeteria food two times a day? Do you like standing eyeball to eyeball with 200 students a day? Cashiering is not the most glamorous job in the world, but it is necessary. How would we know what line to stand in? Thank goodness for cashiers. They are among the brightest things in the cafeteria.

The oldest and most respected club is the Future Farmers of America. Its purpose is to stimulate a stronger interest and understanding of agriculture.

The primary aim for FFA is the development of agricultural leadership, cooperation, and citizenship. This year the club has emphasized these categories by appointing each student or member a Chairperson or Co-Chairperson of at least one club activity.

The FFA motto consists of only twelve words but they carry alot of meaning:

"Learining to do . . .
Doing to learn . . .
Earning to live . . .
Living to serve . . ."

This year's PIP Class is made up of 3 students. They learn to put together projects from the blueprints. They also learn the fundamentals of constructon. Every year they compete in the State Tournament where they learn that they must construct a structure and to finish building it within a certain time period. They must have the correct measurements and the woods must be cut straight and also on the measurements. After finishing the judge then sees which one has been done with accuracy and also speed. So if your into Construction then get involved with the PIP Class.

*Principal*
*Mr. Ronald Kula*

Greetings to the Class of 1983!

Congratulations to the fine group of seniors. You have worked hard during your years here at Moloka'i High and your accomplishments will live on in the memory of the school.

You are beginning your second life with this year's graduation. Accept the challenges, persevere and enjoy the good things life has to offer.

My best wishes go with each of you.

To the graduating students of Moloka'i High and Intermediate School,

I wish you the happiness and satisfaction of success with each new adventure you undertake in the future. You have achieved the honor of graduating from high school and are about to embark on the most fulfilling and exciting challenges of your lives.

Walk proudly with your hands held high — and your hearts filled with the pride that you respresent the hope of your families, the uniqueness of Moloka'i, and the promise of Hawai'i.

Never forget the Moloka'i is your home and will always be here to welcome you with outstretched arms.

Live each day with the knowledge that you are loved and that you have a specialness about you which will carry you through the most difficult of times.

Know that we will think of you often and with fondness as you leave behind others to walk in your footsteps.

"Na na pua e ho'omau aku — The future is for the youth to carry on!"
